1. Background

Subletting describes the process that takes place when a tenant (the principal tenant) rents all or part of their home to another person (the sub-tenant) on a temporary basis.

This Policy outlines Cassiltoun's requirement to accept and consider any application from a tenant to sub-let all or part of their home as set out in the Housing (Scotland) Act 2001 as amended by the Housing (Scotland) Act 2014.

2. General Principles

- 2.1 Tenants have the right to sub-let all or part of their home provided the eligibility criteria outlined in this policy are met and they have the written permission of the Association.
- 2.2 Consent to sub-let a tenancy will only be given by the Association after consideration of the circumstances of the tenant and the proposed sub-tenant.
- 2.3 There is no legal relationship between the sub-tenant and the Association. The principal tenant will continue to be responsible for all the conditions of the tenancy and for payment of rent directly to the Association.
- 2.4 It is the responsibility of the principal tenant to advise the statutory authorities, including Council Tax, Housing Benefit, Department of Works and Pensions (Universal Credit), gas, electricity and telephone suppliers, of the sub-tenancy agreement.
- 2.5 The amount of rent charged to the sub-tenant cannot be higher than the monthly rent charged by the Association to the principal tenant. Any refundable deposit cannot exceed the equivalent of one month's rent.
- 2.6 The property must be let fully furnished and the sub-tenant should have use of all the fixtures and fittings.
- 2.7 The period of the Sub-let will be for a maximum of 6 months, this being the minimum period of a Short Scottish Secure Tenancy. However, the sub let may be extended at the request of the principal tenant and the discretion of the Association.

3. Eligibility Criteria

- 3.1 In accordance with the Housing (Scotland) Act 2014 the Association will only permit an application to sub-let when the principal tenant has been the tenant of the house throughout the 12 month period immediately before applying for written permission to sublet all or part of their property or if they were not the tenant throughout that period, the house must have been their only or principal home during those 12 months and the person who was the tenant at that time must have notified the Association that the person who is now the principal tenant was living there.

- 3.2 The rent account of the principal tenant must be up-to date prior to submitting an application to sub-let.
- 3.3 The proposed sub-tenant must be approved by the Association, who will require a satisfactory report from any former landlord within the last 5 years. A sub-let will not be approved if the sub-tenant already has permanent accommodation or is not considered to be in housing need.
- 3.4 The proposed sub-let must not result in the property being under-occupied or overcrowded.
- 3.5 Specially adapted property (e.g. wheelchair accommodation) will not be eligible for sub-let unless the sub-tenant has a defined need for this type of property.
- 3.6 The principal tenant and the sub-tenant must agree in advance to use a Sub-Tenancy Agreement that is acceptable to the Association.
- 3.7 The Association will accept notification in writing or by e-mail. We will not accept verbal notification. In the case of children in the household reaching the age of 16, who were part of the household when the property was allocation and it is their long term and principal home, no further notification is required.

4. Assessing an Application to Sub-Let a Tenancy

The assessment of applications to sub-let a tenancy will take account of both the tenant's and the sub-tenant's circumstances and in all cases must satisfy the criteria set down in Section 32 and Part 2 of Schedule 5 of the Housing (Scotland) Act 2001 as amended by the Housing (Scotland) Act 2014.

The Association will not withhold consent unreasonably, but may refuse to consent to the principal tenant sub-letting the tenancy on grounds which include: -

- Where the existing tenant has not used the property as their only or principal home for the preceding 12-month period.
- A Notice of Proceedings for Recovery of Possession has been served on the tenant specifying one of the 'conduct' grounds set out in paragraphs 1-7 of Schedule 2 of the Housing (Scotland) Act e.g. rent arrears, anti-social behaviour.
- A Court Order for Recovery of Possession has been granted against the tenant.
- The Association has reason to believe that the tenant has received a payment in cash or in consideration of the sub-let that is not a reasonable rent or deposit.
- There is substantial damage to the property caused by the tenant, a member of the household or a visitor to the property.
- The Sub-let would lead to overcrowding or under-occupation of the property in line with the Association's Allocation Policy.
- The Association intends to carry out substantial work on the property.
- The property was designed or substantially adapted for a person with additional needs (e.g. for wheelchair use) or additional services (e.g. sheltered housing) which are not required by the sub-tenant.

- The proposed sub-tenant has been involved in the perpetration of anti-social behaviour as confirmed by another agency e.g. Police Scotland or has had an ASBO granted against them or a member of their household within the last 3 years.
- The house is unsuitable for the prospective sub-tenant's needs.
- Either party has given false or incomplete information about the application.
- The Association would not give the prospective sub-tenant reasonable preference under our Allocation Policy.
- There are current outstanding rent arrears or rechargeable repairs charges owed to the Association.
- An unsatisfactory report from the sub-tenant's previous landlord is received in respect of damage to property, rent arrears or anti-social behaviour.

This list, while comprehensive is not exhaustive and each application will be fully assessed by a member of the Operations, Housing Services Team before granting or refusing consent.

5. Sub-Letting Procedure

- 5.1 Any tenant wishing to sub-let their tenancy must complete a Sub-let Application form which is available on request from this office. (Appendix 1 & 1A) and return it to the Association's Office. On receipt of the application an acknowledgment will be issued to the tenant confirming that a member of the Operations Team will carry out all appropriate eligibility checks including carrying out a house visit to discuss the implications of sub-letting to both the tenant and the proposed sub-tenant and to inspect the property.
- 5.2 Where the proposed sub-tenant has held a tenancy within the last 5 years, the Association will request tenancy references as appropriate, having first obtained the permission from the proposed sub-tenant to do so.
- 5.3 The Association will notify the principal tenant of its decision within 28 days of receipt of the Application. If the request has been refused the reason will be given. If there is insufficient information available to allow a decision to be made, the request will be refused, with reasons given and the tenant advised to re-apply when the information is available. (Appendices 3 & 4).
- 5.4 Where the request to sub-let is approved, the principal tenant will be informed in writing that it can go ahead. The principal tenant will then be required to inform the Association in writing the date that the sub-let will take place and provide a copy of the sub-let agreement signed by the sub-tenant.

6. Appeals Procedure

Any applicant unhappy about a decision relating to a sub-let request must submit a written appeal to the Housing Manager within 28 days of receiving the decision.

The Housing Manager will review the appeal and provide the applicant with the result of their decision in writing.

If the applicant is still dissatisfied, recourse can be sought through the Association's Complaints Policy and Procedure.

7. Equal Opportunities Statement

We recognise our pro-active role in valuing and promoting diversity, fairness, social justice and equality of opportunity by adopting and promoting fair policies and procedures. We will check this policy and associated procedures regularly for their equal opportunity implications, taking appropriate action to address inequalities likely to result or resulting from implementation of the policy and procedures. We are committed to providing fair and equal treatment to all applicants and tenants and will not discriminate against any on the grounds of race, colour, ethnic or national origin, religion, age, gender sex, sexual orientation, marital status, family circumstances, employment status or physical ability.

8. Processing Information – General Data Protection Regulations

Cassiltoun Housing Association will process information and data contained within the Housing Applications in accordance with its Policies and Procedures relating to the General Data Protection Regulations and all applicants will be issued with a Fair Processing Notice.

All staff members will be made aware of their responsibilities in relation to the General Data Protection Regulations and will be trained in the process that the Association has introduced to ensure compliance with GDPR.

9. Policy Review

This Policy will be reviewed on a 3 yearly basis or earlier if legislation changes to ensure that its aims are being met.
