CASSILTOUN HOUSING ASSOCIATION LIMITED
59 Machrie Road, Castlemilk, Glasgow G45 0AZ

Registered Scottish Charity SC 035544

1. Background

The Association is committed to enabling tenants to exchange houses, wherever possible, in order to satisfy their housing need, to promote mobility and to make the best use of its housing stock. This aim is in accordance with the Housing (Scotland) Act 2001 which governs mutual exchanges and states that a landlord must not unreasonably refuse permission for the mutual exchange of a house. Details of how mutual exchanges will operate are contained within Cassiltoun Housing Association's Scottish Secure Tenancy Agreement and this policy.

2. General Principles

A mutual exchange does not need to be with another of Cassiltoun Housing Association's tenants, but must be with another house where the tenant holds a Scottish Secure Tenancy Agreement or a Short Scottish Secure tenancy Agreement. This may be with another housing association or local authority.

Mutual exchange is a useful tool to ensuring the housing stock is used efficiently. However, care must be taken to ensure that no abuse of the system is taking place i.e. tenants must have a genuine desire to exchange. As a result, the reasons for wishing to exchange must be examined before any further steps are taken.

The Association is a member of Homeswapper and tenants will be encouraged to sign up to this.

All personal information provided in connection with a Mutual Exchange request will be treated as confidential and in line with the requirements of the General Data Protection Regulation. (GDPR).

3. Eligibility Criteria

All Association tenants will be eligible to apply for an exchange. More than two tenants may wish to exchange homes therefore, all parties will be required to complete a Mutual Exchange request form. (Appendix 1). Where any of the parties has a joint tenancy with another person, the joint tenant must also sign. The Association will not withhold consent unreasonably but may refuse an application to mutually exchange on tenancies on grounds that include: -

- The rent account of one or more of the tenants has not been conducted in a satisfactorily and there are current arrears on the account.
- A Notice of Proceedings for Recovery of Possession has been served on the tenant specifying one of the 'conduct' grounds set out in paragraphs 1-7 of Schedule 2 of the Housing (Scotland) Act e.g. rent arrears, anti-social behaviour.
- A Court Order for Recovery of Possession has been granted against the tenant.
- The Association has reason to believe that one or more of the tenants has received a payment in cash or in kind to affect the Mutual Exchange.
- There is substantial damage to the property caused by the tenant, a member of the household or a visitor to the property.
- The Mutual Exchange would lead to overcrowding or under-occupation of one or more of the properties in line with the Association's Allocation Policy.
- The Association intends to carry out substantial work on the property.

- The property was designed or substantially adapted for a person with additional needs (e.g. for wheelchair use) or additional services (e.g. sheltered housing) which are not required by the assignee.
- Any of the parties has been involved in the perpetration of anti-social behaviour as confirmed by another agency e.g. Police Scotland or has had an ASBO granted against them or a member of their household within the last 3 years.
- The house is not suitable for the prospective tenant's needs.
- Any of the parties has given false or misleading information about the application.
- There are current rechargeable repairs charges outstanding by any of the parties.

This list, while comprehensive is not exhaustive and each application will be fully assessed by a member of the Operations Team before granting or refusing consent.

4. Mutual Exchange Procedures

- 4.1. Any tenants wishing to mutually exchange their homes must each (all) complete a mutual exchange application form which is available from this office. (Appendix 1). On receipt of the application forms, acknowledgement will be issued to both (all) tenants confirming that a member of the Operations Team will carry out all appropriate eligibility checks including carrying out a house visits to discuss the implications of the mutual exchange to both (all) tenants and to inspect the properties. (Appendix 2)
- 4.2. Where one or more of the applicants is the tenant of another landlord, a full tenancy reference will be requested from the landlord. (Appendix 3)
- 4.3. The house visit will be carried out within 5 days of receipt of the application and if applicable the tenant(s) will be advised in writing of any repair work that requires to be carried out prior to the exchange being approved and will be given 48 hours to complete the work. A follow-up visit will be arranged after the 48 hours is up to check that the repair work has been completed and to a satisfactory standard. (Appendix 4)
- 4.4. A gas, electrical and joiner safety inspections will be carried out by the Association on the date the exchange takes place and access will need to be provided. (Appendix 5).
- 4.5. Where applicable, the tenant will be advised of the Right to Compensation under the terms of the Housing (Scotland) Act 2001. (Appendix 6)
- 4.6. Disconnection and reconnection of cookers, washing machines, etc. are the responsibility of exchanging tenants, therefore, tenants must be advised of the Association's Policy and likely costs involved. (Appendix 7)
- 4.7. Meter readings are the responsibility of exchanging tenants, along with notifying appropriate suppliers.
- 4.8. If, after all necessary checks are completed, the exchange is then approved, the tenant will be notified in writing (appendix 8). If the exchange is not approved, the tenants will be advised in writing of the Association's decision and the reason for the refusal, along with their Right of Appeal (appendix 8a) and how this can be carried out.
- 4.9. New Scottish Secure Tenancy Agreement(s) require to be signed and the date for the exchange will be agreed with the tenant(s). On the date of entry, the gas and electric check will be carried out at and agreed time. (appendix 9)

4.10 Rent is due monthly in advance and tenant(s) must be advised of the rent payments due. (appendix 10).

5 Appeals Procedure

Any applicant unhappy about a decision relating to a mutual exchange request must submit a written appeal to the Housing Manager (Services) within 28 days of receiving the decision.

The Housing Manager (Services) will review the appeal and provide the applicant with the result of their decision in writing.

If the applicant is still dissatisfied, recourse can be sought through the Association's Complaints Policy and Procedure.

6. Equal Opportunities Statement

We recognise our pro-active role in valuing and promoting diversity, fairness, social justice and equality of opportunity by adopting and promoting fair policies and procedures. We will check this policy and associated procedures regularly for their equal opportunity implications, taking appropriate action to address inequalities likely to result or resulting from implementation of the policy and procedures. We are committed to providing fair and equal treatment to all applicants and tenants and will not discriminate against any on the grounds of race, colour, ethnic or national origin, religion, age, gender sex, sexual orientation, marital status, family circumstances, employment status or physical ability.

7. Processing Information – General Data Protection Regulations

Cassiltoun Housing Association will process information and data contained within the Housing Applications in accordance with its Policies and Procedures relating to the General Data Protection Regulations and all applicants will be issued with a Fair Processing Notice.

All staff members will be made aware of their responsibilities in relation to the General Data Protection Regulations and will be trained in the process that the Association has introduced to ensure compliance with GDPR.

8. Policy Review

This Policy will be reviewed on a 3 yearly basis or earlier if the legislation changes to ensure that its aims are being met.
